

# multi-storage caddie

Profile Systems caddie range provides portable storage with flexible configurations allowing space for personal storage and security. Perfect for hotdesking, our pedestals are available in 2 & 3 drawer options, locking castor wheels to ensure safety and a multitude of accessories.

# multi-storage pedestal

Profile Systems innovative pedestals range is available in varying sizes and powdercoat colours, with an array of accessories. The mobile pedestal range can be tailored to complement any desking or workstation system. Our pedestals come with anti-tilt internal mechanisms, castors and a pencil tray in one box drawer as standard.
