3 TIER LOCKERS

Profile Systems | SPEC SHEET

3 TIER LOCKERS
Description

Introducing our 3 Tier Locker System. This custom-built locker is perfect for any office requiring a secure and organized storage solution. Constructed with durability in mind, this commercial-grade locker can be made from high-quality veneer, melamine or wooden finishes. The triple tier design provides ample storage space for all employee belongings and is compact yet spacious enough to accommodate all items.

The doors feature sturdy hinges and a reliable locking mechanism to keep your belongings safe and secure. Say goodbye to clutter and hello to neatness with this practical storage solution. Not only is this locker system functional, but it also adds a modern touch to any space. The design is eye-catching and will effortlessly blend into any setting.

Our agile lockers are available in various finishes and colours depending on need. All lockers include a base plinth and can be configured with numbering, mail slots, business card holders or coat rails.

Security is assured with a choice between key, electronic, RFID or digital locking, or a combination of together in one.

PROFILE SYSTEMS

GENERAL INFO & TERMS

PROFILE SYSTEMS GUARANTEE
Profile Systems provides warranty policies on products that specify a warranty period. The warranty period commences on the date of delivery.

PROFILE SYSTEMS CERTIFICATION
Profile Systems continually strive to reduce the environmental impact of all products we offer. For many years, Profile Systems has been working with dedicated suppliers and manufacturers who conform to the ISO14001 standard. This standard is used worldwide to assess business environmental management systems in order to ensure wood products originate from responsibly managed forests.
In line with this, we have created an internal product stewardship program, which directly aligns with our manufacturing partners who are ISO 14001 certified and accredited with GreenGuard, BIFMA, GECA, AFRDI, Greentick, FSC, VOC certifications or equivalent.
Additionally, we endeavour to recycle all product packaging and strive to recycle and re-home furniture utilising our End of Life Policy.

PROFILE SYSTEMS QUALITY
Thanks to our established quality requirements and control management of production processes, Profile Systems can guaranteee excellent quality, long life and durability.

PROFILE SYSTEMS FABRICS
The shades of fabric swatches found in this document cannot be reproduced exactly to what is seen on digital or printed paper. Profile Systems is entitled to make modifications at any time or without any prior notice.

PROFILE SYSTEMS LEAD TIMES
Is measured from the receipt of approved shop drawings, an official purchase order, and payment of the deposit invoice. Lead times exclude weekends, public holidays, and RDOs. Lead time is subject to specified fabrics/laminate/timber finishes being in stock and readily available at receipt of order confirmation. Profile Systems reserves the right to extend our lead-time if materials are not readily available.

PROFILE SYSTEMS MAINTENANCE
If you have any queries in regards to our general maintenance practices, or you have a product matter you need to discuss, please send us an email with images to sales@profilesystems.com.au
