

LIM Lift Square – Workstation

With its slim, round leg – Lim Lift adds a refined, contemporary aesthetic to the modern office. This sturdy electric sit-to-stand desk allows you to transition effortlessly from sitting to standing at the touch of the button – promoting healthy work habits.

Concealed cable management will appeal to those who like a tidy office. Workstations can also be reconfigured from single to back-to-back configurations to satisfy future-minded business owners. Multiple worktop shapes and accessories allow for personalisation including screens, shelves, document holders and pen rails.
