Butterfly Task Chair is a smart & fun task chair like none other. With 'butterfly wings' built into the skeleton of the backrest design, Butterfly adopts the natural beauty of the butterfly itself.

The Y-shaped back frame is the bone of the chair, and the S-shaped backrest provides spine-fit support to the back and waist.

GENERAL INFO & TERMS

PROFILE SYSTEMS GUARANTEE

Profile Systems provides warranty policies on products that specify a warranty period. The warranty period commences on the date of delivery.

PROFILE SYSTEMS CERTIFICATION

Profile Systems continually strive to reduce the environmental impact of all products we offer. For many years, Profile Systems has been working with dedicated suppliers and manufacturers who conform to the ISO14001 standard. This standard is used worldwide to assess business environmental management systems in order to ensure wood products originate from responsibly managed forests.

In line with this, we have created an internal product stewardship program, which directly aligns with our manufacturing partners who are ISO 14001 certified and accredited with GreenGuard, BIFMA, GECA, AFRDI, Greentick, FSC, VOC certifications or equivalent. Additionally, we endeavour to recycle all product packaging and strive to recycle and re-home furniture utilising our End of Life Policy.

PROFILE SYSTEMS QUALITY

Thanks to our established quality requirements and control management of production processes, Profile Systems can guarantee excellent quality, long life and durability.

PROFILE SYSTEMS FABRICS

The shades of fabric swatches found in this document cannot be reproduced exactly to what is seen on digital or printed paper. Profile Systems is entitled to make modifications at any time or without any prior notice.

PROFILE SYSTEMS LEAD TIMES

Is measured from the receipt of approved shop drawings, an official purchase order, and payment of the deposit invoice. Lead times exclude weekends, public holidays, and RDOs. Lead time is subject to specified fabrics/laminate/timber finishes being in stock and readily available at receipt of order confirmation. Profile Systems reserves the right to extend our lead-time if materials are not readily available.

PROFILE SYSTEMS MAINTENANCE

If you have any queries in regards to our general maintenance practices, or you have a product matter you need to discuss, please send us an email with images to sales@profilesystems.com.au
